Welcome to Wenatchee Valley College (WVC). Here, students from all walks of life take their future into their own hands. With the support of dedicated staff and outstanding faculty, WVC graduates go on to pursue more education, get jobs in their fields of choice and give back to their communities. With a broad list of certificates, two-year and four-year degrees to choose from, anyone can find a path that suits their interests and needs.

As you continue or embark on your educational journey, please know that you have the support of everyone in the WVC community. We look forward to a fantastic 2023-2024 academic year.

Sincerely,
Dr. Faimous Harrison
WVC President
